Corona and Stays Abroad

Experiences of former corona-affected semesters

- Cancellation of face-to-face exchange semester by many partner universities
- Partner universities sometimes offered online exchange semester as an alternative

Useful information for your planning

- Application and selection procedures for the year 2022/23 will take place as usual
- Flexibility in your curriculum may make it easier to postpone the semester abroad
- Withdrawal from your exchange place is possible at any time
- Last-minute-switching to Erasmus+ program is not possible
- Independent research into the situation in your host country as a basis for decision-making

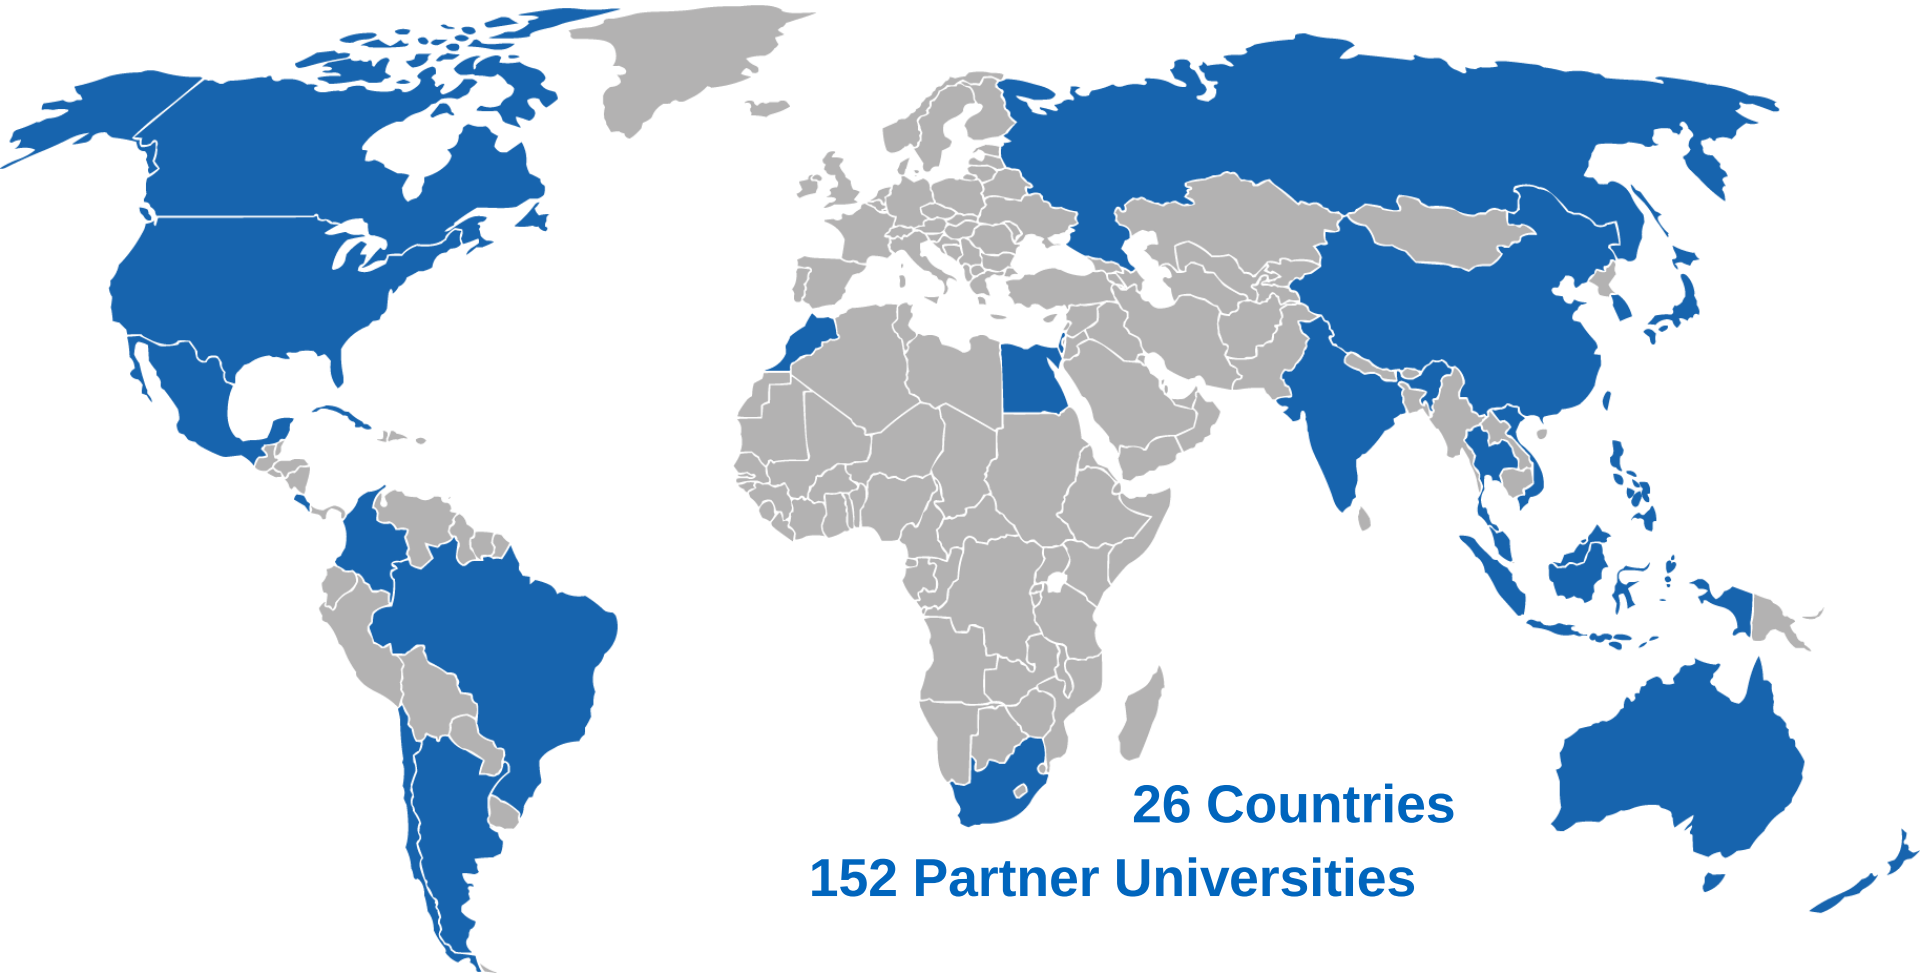

TUM Global & Alumni Office is in close contact with all nominees and strives to find the best possible alternatives!

E-Mail: Application sent

Liebe/r Studierende/r,

Ihre Online-Bewerbung für das Programm TUMexchange ist bei uns eingegangen - vielen Dank.

Ihre Unterlagen werden nun von uns bearbeitet und Sie erhalten **vor Weihnachten** eine verbindliche **Rückmeldung per E-Mail**, ob Sie für einen Austauschplatz nominiert werden konnten. **Bitte sehen Sie in der Zwischenzeit von Nachfragen zum Stand Ihrer Bewerbung ab, da die Bearbeitungszeit dadurch verzögert wird!**

Im Falle einer erfolgreichen Bewerbung müssen Sie die Annahme/Ablehnung der Nominierung verbindlich im Online-Portal rückbestätigen. **Versichern Sie sich, dass Sie bis zum Abschluss des Auswahlverfahrens jederzeit Zugang zu Ihrem E-Mail Postfach haben, welches Sie für die TUMexchange Bewerbung verwendet haben. Prüfen Sie immer auch alle SPAM-Ordner, da Serienmails oftmals dort einsortiert werden.**

Bitte beachten Sie, dass wir die von Ihnen angegebene Wunschsemesterzeit leider nicht in allen Fällen berücksichtigen können. Sehen Sie sich deshalb genau an, für welches Semester Sie nominiert wurden. Qualifizierte Studierende, die nicht für ihren Erst- oder Zweitwunsch platziert werden konnten, erhalten in Einzelfällen ein Angebot für eine dritte Universität. Prüfen Sie in diesem Fall bitte genau, ob die Universität und das Kursangebot passend für Sie sind.

Mit freundlichen Grüßen

Ihr TUMexchange Team (tumexchange@zv.tum.de)

TUM International Center

Dear student,

This is to confirm the receipt of your online application for the TUMexchange program – thank you.

We are now processing your application and you will receive the definite **result of the selection process via email before Christmas. Meanwhile, please do not contact us in order to ask about the status of your application as this will delay the notification of the selection results.**

If your application was successful and you are nominated for an exchange spot, you have to reconfirm/reject the acceptance of this nomination through the Online-Portal. **Please make sure that you have access to your email account you used for your TUMexchange application at any time until the end of the selection process. Do not forget to check all SPAM folders too, as serial e-mails are often sorted there.**

It might not always be possible to nominate you for the semester that you chose in your application so please check closely for which semester you have actually been nominated. Qualified students who we could not nominate for their first or second priority, might get an offer for a third university. In this case please examine carefully, if the university and the course offer are appropriate for your studies.

Kind regards

Your TUMexchange Team (tumexchange@zv.tum.de)

TUM International Center

You will receive a confirmation e-mail within a few minutes.

Please **check all your spam folders!**

Please note

- **No last-minute-applications** – Technical problems cannot be solved “one hour before the deadline”.
- Do **not upload more than 8 MB** in total, otherwise the PDF file of your application cannot be created.
- You can only sent **one application** and cannot change anything after you have sent it.
- **No documents can be handed in after you have sent the application**.
- We won’t accept any applications after the deadline.
